

# SUMMARY CONSOLIDATED FINANCIAL **STATEMENTS SEPTEMBER 30. 2021**

# Independent Auditors' Report on the Summary Consolidated **Financial Statements**

To the Shareholder of Republic Bank (EC) Limited

### Oninion

The summary consolidated financial statements, which comprise the summary consolidated statement of financial position as at September 30, 2021, the summary consolidated statement of comprehensive income, summary consolidated statement of changes in equity and summary consolidated statement of cash flows for the year then ended and related notes, are derived from the complete audited consolidated financial statements of Republic Bank (EC) Limited and its subsidiaries ("the Group") for the year ended September 30, 2021.

In our opinion, the accompanying summary consolidated financial statements are consistent, in all material respects, with the audited consolidated financial statements, on the basis described in Note 1.

### **Summary Consolidated Financial Statements**

The summary consolidated financial statements do not contain all the disclosures required by International Financial Reporting Standards ("IFRSs"). Reading the summary consolidated financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and the auditor's report thereon.

## The Audited Consolidated Financial Statements and Our Report Thereon

We expressed a qualified audit opinion on the audited financial statements in our report dated April 4, 2022. The basis for our qualified audit opinion was as follows:

The Group acquired Scotiabank's banking operations on November 1, 2019 as further indicated in note 25. As part of the 'at acquisition' accounting, deferred tax should have been recognised on temporary differences arising on:

a) Expected credit losses on the Stage 1 and Stage 2 loans; and

b) The intangible asset, core deposits.

As further explained in note 26, during the current period management has adjusted the error in respect of deferred tax arising on the expected credit losses by restating comparative information. Management recognised a deferred tax asset of \$8.8M with a corresponding entry in retained earnings (tax expense in the 2020 financial year). However part of this adjustment should have been recognised against goodwill rather than retained earnings on the basis that it arose on acquisition. The total deferred tax calculation for both Stage 1 & 2 loans at 30 September 2020 has been provided, however we have not received a detailed calculation to enable us to determine the amount that relates to the 2020 financial year post acquisition and the amount to be adjusted against goodwill.

No correction has been made in respect of the deferred tax relating to the intangible asset recognised at acquisition. This resulted in an understatement of goodwill of \$13.2M (\$13.2 million in the 2020 financial year) and an understatement of the deferred tax liability of \$9.5M (\$11.4M at the end of the 2020 financial year). Further an amount of \$1.9M (\$1.8M in the 2020 financial year) should have been recorded in the statement of comprehensive income as a deferred tax movement as a consequence of the amortization of the intangible asset.

The audited consolidated financial statements and the summary consolidated financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited consolidated financial statements.

### **Responsibilities of Management for the Summary Consolidated Financial Statements**

Management is responsible for the preparation of the summary consolidated financial statements in accordance with Note 1.

Auditor's Responsibilities for the Audit of the Summary Consolidated Financial Statements Our responsibility is to express an opinion on whether the summary consolidated financial statements are consistent, in all material respects, with the audited consolidated financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810 (Revised), Engagements to Report on Summary Financial Statements.

Note 1. Basis of presentation

The summary consolidated financial statements are prepared in accordance with criteria developed by management. Under management's established criteria, management discloses the summary consolidated statement of financial position, summary consolidated statement of comprehensive income, summary consolidated statement of changes in equity and summary consolidated statement of cash flows. These summary consolidated financial statements are derived from the audited consolidated financial statements of Republic Bank (EC) Limited for the year ended September 30, 2021.

These summary consolidated financial statements have been prepared in accordance with the accounting policies set out in "Note 2" of the September 30, 2021 audited consolidated financial statements. New Accounting Standards or interpretations which became effective in this financial year have had no material impact on the Group. The areas of critical accounting estimates and judgments as disclosed in "Note 2" of the September 30, 2021 audited consolidated financial statements, have also remained unchanged.
